Welcome to Sweet Pistachio Pâtisserie!

We are a dessert events company that will happily create your dessert needs (and wants!), whether it be chic, 2-bite petit fours, elegant wedding cakes, inventive treat displays or memorable party favors.

Luxurious ingredients, coupled with our skilled French techniques and classic American sensibilities, add up to desserts that will lend a sumptuous note to your special occasion. Serving the NYC metro area, we look forward to working with you to make your event perfectly delicious and sweetly unique.

We will work with you to create perfect treats that fit your event's concept and preferences. As we are a boutique company, attention to your details-from dietary restrictions (allergies, vegan, gluten-free) to color choices to flavors-is the focus and oh, what fun it will be!

Petite Sweets and Confections:

Sometimes bigger is better, but not in this case! Luscious little bites of perfection, either arranged as a compliment to your cake, as their own “sweets table” or passed on platters among your guests, are sure to delight.
